

To eliminate eligibility issues at the event, which could include individual and/or team disqualification, please review the eligibility requirements and make sure that YOU are eligible. Please review the following requirements. If you have ANY questions about YOUR eligibility, please contact us. Contact information will be at the bottom of this page.

One year of curling constitutes:

- 10 or more games of any kind, anywhere. A game is defined as 6 ends or more.
- This also includes on-ice practice sessions, which are defined as any time spent on the ice, regularly scheduled or not, with or without an instructor/coach, including skill-building classes such as practice drills, slides, sweeping, throwing rocks, game strategy scenarios, and which may include less than 6 ends played.
- Juniors and Collegiate curling counts towards your years of curling. Little Rockers (under 12 years old) does NOT.
- Curling outside of the GNCC counts toward your eligibility.
- Our curling year is May 1-April 30. We do not use a calendar year.

*the Covid year was May 1, 2020–April 30, 2021. This year doesn't count toward your total years curled.

If there are questions about a player's eligibility it will be investigated immediately by any/all of the following: event coordinators, GNCC rep, GNCC 5U Director, GNCC Chair. The individual/team may not be allowed to participate until the investigation is complete. This is the scenario we are trying to avoid.

If you have any questions at all, please contact your rep. It is much better to resolve any issues ahead of time. Doing it 5 minutes before you are scheduled to go on the ice is not fun for anyone. It is YOUR responsibility to ensure that you are eligible to play, per the GNCC rules.

This is not meant to deter anyone from participating. Eligibility is based on the honor system and the Spirit of Curling. We want everyone who is eligible to be able to participate, but we also want to make sure that everyone who participates is eligible. Thank you so much for your assistance with this matter.
